Matt Brandon is a fantastic example of what a family lawyer should be. Along with his thorough knowledge of the law, you will find a man with great integrity, who listens to the areas of concern and provides clear, concise and honest answers to your questions. We felt supported and well aware of the overall plan and direction of the case throughout. When we ended up in court, Matt proved to be well prepared and skillful in his approach. He drilled to the heart of the matter succinctly and his detailed preparation allowed him to both present his argument and counter opposing counsel's arguments with apparent ease.

Overall, Matt is simply a great guy, who can sit back and crack a joke and make you feel comfortable while you discuss a very difficult time in your life. He is fair and very reasonable in his billing and delivers on his commitments. You won't go wrong by choosing Matt to represent you.

Thank you so much Matt for your dedication to our case.

We highly recommend Lawyer Matthew Brandon for ANY family law matter. Matthew Brandon has proven himself to be one extraordinary lawyer. Very knowledgeable, very professional and his great guidance never failed us. Unfortunately we can only go as high as 5 stars; otherwise we would have rated Matt a solid 10. Do not hesitate to contact Matthew Brandon for any family law matters. A good lawyer is all it takes.

Great team at Fleetwood Family Law, Matthew is extremely knowledgeable, experienced and easy to deal with...to the point! They were able to facilitate my busy schedule with a Saturday visit. Frankie has been great managing the case files, the communication is very good letting me focus on what I need to worry free. Can not say enough, thank you Fleetwood Family Law!

When you need a lawyer you are generally not in the happiest of places in life, but we were blown away by the kindness of the staff in this office! Matt Brandon went above and beyond for us in our custody battle and helped us with empathy and great professionalism. When he was unavailable, Yaro Garulko was ready to step in with the same level of dedication. The office staff made us feel welcome and helped us during some of the most stressful times in our lives. I would recommend Fleetwood Family Law to anyone who needs a lawyer that isn't trying to make money off your hard times, but is honest with you, trying to save you money and treats you with respect and honesty.

If you want lawyers that will take the time and effort along with professionalism to your case I highly recommend Fleetwood family law. I felt confident and put into good hands as time progressed with my case. It's always overwhelming when dealing with family law matters. Not only did I get the best possible outcome for myself and child. I also got the courage and strength to stand up for what's right and I had great support from Hamir and Matthew. Hamir Randhawa was superb! in court and I was very impressed by the hard work and dedication to my case from both Hamir and Matthew. Thank you so much for everything!

I have to start off by saying the value is amazing. I can't speak for all the lawyers but personally my lawyer is amazingly knowledgeable, I can't believe his hourly rate is so low. I looked around for approximately 3 weeks before choosing this firm to represent me. I did a lot of consultations and research but upon meeting my lawyer I realized he was the right one. I'll save anyone a lot of time right now and let them know we are about halfway into a really complicated custody case and I still believe he is the right choice. As of right now I have nothing but faith in him. Also the owner of the company seems to care a lot about his clients and the integrity of his business which I feel is a huge reason why his company seems to be so successful and has great representation to provide for his clients. Last but definitely not least is Nikki is amazing she to me seems to be the glue and the backbone of Fleetwood family law. She's a hero you guys better keep her lol. Thanks for all your work Yaro

Could not thank Hamir, Mat and team enough for helping me get out of a really sticky situation with my Ex... had too many sleepless nights and as soon as I found them, they immediately assessed the situation and Hamir helped me get around this dilemma... and the best part was not talking to my ex, Hamir did all the talking on my behalf... because my ex drives me insane!!! Highly recommend their service.

If you want to hire a firm that will stand up for truth and Justice, you will want to hire Fleetwood Family Law. They were thorough and compassionate through my arduous 3 year separation. With their dedicated teamwork, kindness, and professional representation, Fleetwood family law successfully brought Justice to my children and I against unique circumstances and difficult party. I would recommend Fleetwood Family Law to anyone I know with my sincerest gratitude of personal experience.
